Supervisors Proceedings.

(from page two)

Petition having been presented to the board asking them to appropriate the sum of \$450.00 to continue on the services of County Agricultural agent, Chas. R. Fillerup, for the next fiscal year commencing July 1st, 1917 and ending June 30, 1918; the board after consideration of the petition unanimously ordered that the appropriation be made, payments to be made in Five monthly installments of \$90.00 each, commencing October 1, 1917.

W. A. Saunders motioned that H. C. Overson be appointed as Court House Construction Inspector, to hold the position at the pleasure of the board. The motion was duly seconded by Chairman Heber Jarvis and carried unanimously. His compensation was fixed at 1 1/2% of the contract price of the building, (\$36,367.00) this price also to include his services for the month of May. Payment is to be made in monthly installments. The petitions of C. H. Wolfe & A. M. McFate asking for the job of inspector were rejected.

The appointment of W. D. Rencher as county engineer was ordered terminated, the cancellation of Mr. Rencher's appointment also automatically cancels his appointment of Gustav Becker and J. H. Greer as deputy County Engineers who have been serving in the capacity of road commissioners for the expenditure of the \$125,000.00 Road Bond Issue.

W. A. Saunders motioned that Gustav Becker be appointed as County Engineer. Motion was seconded by Member John C. Hall and carried unanimously. The Salary of Mr. Becker as County Engineer was fixed at 700.00 per annum and his travelling expenses.

The application and Petition of Tom W. Carroway asking the Board of Supervisors to appoint him County Electrician was rejected, as they could see no special reason for making an appointment of this kind.

W. H. Gibbons was appointed by the Board, under Sec. 21 of the Public Land Code, as State Land Appraiser for Apache County. The second installment of taxes for the year 1916 of J. S. Gibbons in the sum of \$20.10 and Henry Butler in the sum of \$23.91 was ordered cancelled by the Board for the reason that both of the above named parties have died since the first installment was paid.

The board ordered the Treasurer to transfer the sum of \$5000.00 from the General County Fund to the Salary Fund. He was also ordered to redeem Bond No. 8 of the \$25,000.00 Road Bond Issue as it appears from his report that there is sufficient money on hand in the Redemption Fund for that purpose.

At the suggestion of the State Land Commissioner the Board appointed the following committee of three: J. I. Nelson, E. R. DeWitt and W. E. Wiltbank to select and recommend an unoccupied School Section as a site for the drilling of an artesian well, for which the last legislature made an appropriation of \$10,000.00. They were requested to report in person at the next meeting of the board on July 2nd. The board ordered that they be allowed their expenses and \$4.00 per diem, for doing this work.
